

How do I get a Library card from the Lockport Public Library?

You must present identification that includes your name and current address. You may use a recent report card or a piece of mail that you have received at your home that has your name on it.

Parents must sign a form authorizing the issuance of a library card to a child under the age of 13.

Your first library card is free of charge. Replacement cards are \$1.00. There is no charge for updating information in the database or for renewing expired cards. If you forget your library card, you may check items out with another valid form of identification such as a driver's license.

We hope you will enjoy participating in this program. Have a happy and safe summer.
